

## **Sunrise Kids and After School Enrichment**

Here Wee Grow! Preschool Before and after school programs

### **Sunrise Kids**

\$8/hour per child

The Sunrise Kids program opens at 7:00 a.m. and runs until 8:45 a.m. Parents must sign all children into the program. A breakfast time snack may be brought by the participants. Activities will include yoga and body movement. Children will also have an opportunity to learn about the food they eat and how it is prepared.

Note: During winter months, if school has a delayed opening, the Sunshine Kids program will open at 9:00 a.m. This allows time for the driveway to be plowed and walkways to be made safe for our families.

### **After School Enrichment**

\$8/hour per child

The After School Enrichment program opens at 3:30 p.m. and closes promptly at 6:00 p.m. Children utilizing the program will be released directly to the program at dismissal. All participants will receive a snack and drink for after school. This program will extend the school day and transition to a curriculum that includes STEM enrichment along with fine and gross motor activities. Children will also have the chance to learn about science in the kitchen.

Upon arrival, parents must ring the bell at the back door to be let in and should sign out their children.

Note: During the winter months, if school has an early release due to inclement weather, the After School Enrichment Program will be closed. This is for the safety of our parents, students, and program staff.

Any changes to this schedule will be communicated to participants by the staff.

Please note that these programs are available only on days that school is in session. On snow days or school vacations, Sunrise Kids and After School Enrichment will be closed.
